

It is used for transporting tracked loads with a carrying capacity of 3 Ton.

Capacity: 3 ton

Distance between forks: 540 mm

Min. Lifting Height: 85 mm

Max. Lifting Height: 200 mm

Fork length : 1150 mm

Number of Front Wheel : 2

Number of Back Wheel : 4

Size of Front Wheel : 200 x 50 mm

Size of Back Wheel : 80 x 70 mm

CASTING PUMP IS USED IN THE PRODUCT.

## **3 Ton Manual Pallet Truck**

Each kilogram is of great importance when transporting. Thanks to the increased carrying capacity, the process is accelerated and labor is gained. But to make this possible, of course, you must use the right equipment necessary.

In this sense, you can choose our manual pallet trucks with a carrying capacity of 3 tons compared to our manual pallet trucks with a standard carrying quota of 2.5 tons. Thus, you can change the position of your stacked products quickly and easily.

Thanks to the 'casting pump' we use in our Economic Lift 3 Ton Manual Pallet Truck product, you can continue your work with high performance despite high tonnages. The result is satisfaction for all.

The front and rear wheels work fully functionally, making the transport process more efficient.

Likewise, the dimensions of the wheels are designed accordingly. However, with the lifting height of 20 cm, you can easily take your packages to locations with higher ground clearance.

Thus, by absorbing manpower as much as possible, you get a comfortable load carrying experience.

In addition to all these, there are some points to take into account and to be known of beforehand while using the product. Manual pallet trucks are suitable for use in horizontal ground conditions.

Using it in rough environments can cause danger and problems.

In addition, it is not recommended to be used in areas with high vertical angle of inclination (hill).

Otherwise, you may lose control of the product. As a result, it is highly likely that you will encounter material and moral damages. Therefore, you need to analyze the structure of the environment you will use well. You can contact us for more detailed information about our manual pallet truck with a carrying capacity of 3 tons.
