

Feature	Value
Capacity	1.5 Ton
Load Center	600 mm
Standart overall fork width	560 mm
Fork length	1150 mm
Overall length	1550 mm
Overall hight (with tiller)	1190 mm
Lenght to face of forks	400 mm
Minimum turning radius	1360 mm
Traveling speed (laden - unladen)	4/4.5 km/h

Gradeability	5/16 %
Traveling motor	0.75 kW
Lifting motor	0.5 kW
Lithium battery	24/20 V/ah
Net weight	120 kg

Lithium Full Electric Pallet Truck: High Performance and Efficiency

Discover the İZMİR DEMİR LİFT 1.5 Ton Lithium Full Electric Pallet Truck to optimize your storage processes and lighten your workload. This powerful and durable pallet truck stands out with its high capacity and technical specifications, making it an ideal choice to meet your needs and increase efficiency.

High Capacity and Reliable Performance

This lithium full electric pallet truck can easily handle a load capacity of 1500 kg. With a load center set at 600 mm, it ensures balance and stability. The pallet truck with an outer width of 560 mm and a fork length of 1150 mm allows you to safely transport various loads.

Ease of Use and Ergonomic Design

The İZMİR DEMİR LİFT 1.5 Ton Lithium Full Electric Pallet Truck features a user-friendly design. It is optimized with a machine length of 1550 mm and a machine height (including the handle) of 1190 mm. This enables easy maneuverability even in tight spaces, allowing for quick and efficient handling operations.

Powerful Motors and Lithium Battery Technology

Equipped with a 0.75 kW drive motor, this full electric pallet truck smoothly moves at high speeds. The lifting motor, with a power of 0.5 kW, easily lifts and lowers loads. The pallet truck's lithium battery has a capacity of 24/20 V/ah, providing long working hours and efficient workflow with its fast charging feature.

Safety and Durability

The İZMİR DEMİR LİFT 1.5 Ton Lithium Full Electric Pallet Truck is designed for safe and reliable use. It has a minimum turning radius of 1360 mm, allowing for easy maneuverability even in tight spaces. With its climbing ability, it can effectively operate on inclined surfaces.

This lithium full electric pallet truck is an ideal solution to optimize your storage processes and increase efficiency. Explore the high-quality products offered by İZMİR DEMİR LİFT to find the most suitable solution for your needs. Choose the İZMİR DEMİR LİFT 1.5 Ton Lithium Full Electric Pallet Truck for a fast, reliable, and user-friendly pallet truck experience.
