The EKONOMİK LİFT 2 Ton Weighing Pallet Truck is one of the reliable and user-friendly products offered by İzmir Demir Lift. It is an excellent choice to optimize your business's load carrying and storage processes. With its unique features and durable structure, it stands as one of the best pallet trucks in the industry. At İzmir Demir Lift, we are committed to providing our customers with high-quality and customizable solutions.

This pallet truck has an impressive 2000 kg load capacity, allowing you to easily transport heavy loads. With fork dimensions of 560 x 115 mm, it can safely handle and store loads of various sizes. The PA wheel type and Ø 180 x 50 mm steering wheels provide excellent maneuverability even in narrow spaces. The load wheels with a size of Ø 80 x 70 mm offer optimal balance and stability.

The fork height of the pallet truck is adjustable, starting from a minimum of 80 mm and going up to a maximum of 195 mm. This feature provides flexibility and adaptability when working with pallets of different heights. Additionally, the pallet truck has a maximum error margin of only 0.05%, ensuring reliability in precise weight measurements and achieving accuracy and precision in your business processes.

The EKONOMİK LİFT 2 Ton Weighing Pallet Truck features a user-friendly and robust design. With a weight of 95 kg, it is easily portable and maneuverable. The weighing feature enhances the accuracy of your weight measurements and optimizes your inventory management. Moreover, its construction from durable materials ensures long-lasting usage, allowing you to get a return on your investment.

At İzmir Demir Lift, customer satisfaction is of great importance to us, and we offer solutions to meet your needs. By choosing the EKONOMİK LİFT 2 Ton Weighing Pallet Truck, you can increase the efficiency of your business, optimize your processes, and reduce costs. Our professional team is here to support you with our expertise and high-quality products. We invite you to İzmir Demir Lift to learn more about our offerings and receive further information and quotations. Choose the right equipment for the success of your business and work with a reliable partner!
